THE AMERICAN SOCIETY FOR PARENTERAL AND ENTERAL NUTRITION

About A.S.P.E.N.

The American Society for Parenteral and Enteral Nutrition (A.S.P.E.N.) is a scientific society whose members are health care professionals; physicians, dietitians, nurses, pharmacists, other allied health professionals, and researchers; that envisions an environment in which every patient receives safe, efficacious, and high quality patient care.

A.S.P.E.N.'s mission is to improve patient care by advancing the science and practice of nutrition support therapy.

NOTE: This publication is designed to provide accurate authoritative information in regard to the subject matter covered. It is sold with the understanding that the publisher is not engaged in rendering medical or other professional advice. Trademarked commercial product names are used only for education purposes and do not constitute endorsement by A.S.P.E.N.

This publication does not constitute medical or professional advice, and should not be taken as such. To the extent the information published herein may be used to assist in the care of patients, this is the result of the sole professional judgment of the attending health professional whose judgment is the primary component of quality medical care. The information presented herein is not a substitute for the exercise of such judgment by the health professional.
