

THE **VALUE** OF YOUR **A.S.P.E.N. MEMBERSHIP**

An A.S.P.E.N. membership is a sound investment in your career whether you consider yourself a nutrition support specialist or nutrition support is only a portion of your job. A.S.P.E.N. offers nutrition support professionals the specialized knowledge, resources, and tools to ensure their patients receive the best possible care.

COMPLIMENTARY ACCESS TO **\$400** **ADVANCED RESEARCH INFORMATION**

Get complimentary access to the Evidence Analysis Library (EAL®). Our partnership with the Academy of Nutrition and Dietetics allows A.S.P.E.N. members to both access the EAL® and also submit **bibliographies**, conclusion statements, evidence **summaries**, **worksheets** and more!

INSTANTLY ACCESS **\$300** **CRITICAL INFORMATION**

Instantly access critical information with our Practice and Research Toolkits. For members only, these toolkits are stocked full of practice resources, educational tools, links and videos that help you work more efficiently. Toolkit topics include: Research, Nutrition Support and Ethics, Practice Management, and Malnutrition. Also, **discover new ideas for improving patient outcomes** through the free, highly-regarded **Guidelines and Standards Library**.

CONNECT WITH YOUR **\$200** **PEERS**

Connect with your peers on ASPENConnect. This secure online forum is one of the easiest ways to build relationships with healthcare professionals involved in clinical nutrition. This is an exclusive member benefit—and more than 3,000 individuals are enrolled.

DISCOVER **\$500** **NEW IDEAS**

Receive substantial discounts on registrations for Clinical Nutrition Week (CNW) and webinars, bookstore purchases, certification preparation materials, and the certification exam.

LEARN ABOUT **\$310** **BEST PRACTICES AND NEW RESEARCH**

Learn about best practices and new research with the turn of a page in the *Journal of Parenteral & Enteral Nutrition (JPEN)* and *Nutrition in Clinical Practice (NCP)*. Your membership includes free, annual subscriptions to A.S.P.E.N.'s industry-leading, peer-reviewed journals. Each journal is provided in print, online, and through a mobile app.

\$600 ACCESS THE LATEST **INFORMATION**

Each month, access the latest information on clinical nutrition and metabolism through the **Free Lecture of the Month**.

REVIEW **\$49** **LECTURES**

Review key lectures provided by world-renowned speakers who represent the interdisciplinary nature of nutrition support through the **Clinician's Compendium to Nutrition Support Therapy**.

ENHANCE YOUR NETWORK

You are welcome to join one or more of A.S.P.E.N.'s 33 chapters and 13 Sections. Take advantage of the opportunity to engage with local colleagues through your chapter, then virtually connect with like-minded nutrition support professionals from all over the world through the Practice and Specialty Sections.
