SUBJECT: Protective Allocation – IV Sets in the United States

Dear Valued Customer:

Due to increased demand, Baxter is implementing a U.S. protective allocation on the IV sets identified below. The allocation is based on customer historical ordering from April 1, 2024, through September 30, 2024, and will be **effective on Monday, October 14, 2024**.

The allocation percentages for all affected Product Codes are **100% or greater** and listed in the table below. Please note that for any products already on a protective allocation, the allocation levels are being revised using the timeframe noted above.
