Dear Valued Customer,

We appreciate your feedback and the time you've taken to share your insights with us regarding the need for a plant-based formula with none of the common allergens, in a closed system. After carefully reviewing your input and evaluating our product production, we are pleased to announce that we will continue to produce COMPLEAT® STANDARD 1.4 Cal, SpikeRight® PLUS UltraPak®.

Making decisions regarding our portfolio is a process we take great care in evaluating. Part of that process is determining where we can create room for innovation and renovation to provide a best-in-class offering that meets the needs of all your patients. Your feedback is invaluable in guiding our decisions, and where we have the opportunity to pivot, we will do so.

Should you have any questions or require additional information, please work with your Nestlé representative, or call our Consumer Service Center at 1-800-422-2752 that is staffed with Registered Dietitian Nutritionists (RDN). Additional product information and support tools can be found on the Medical Hub at www.nestlemedicalhub.com.

Sincerely,
