Continuing Education and Accreditation Information

Course Goal and Target Audience. The objective of this conference is to support members of the healthcare team in the development of safe and effective practices for the delivery of nutrition support therapy by providing evidence-based education. This program is designed for healthcare team members to further their knowledge of nutrition support.

Learning Level. This conference's sessions are planned at the intermediate learning level. Intermediate assumes a general knowledge of the literature and clinical practice within the areas covered. Intermediate sessions are aimed at individuals wishing to expand their skills and knowledge base.

Successful Completion To obtain credit for this course, participants must attend in full each session claimed for credit and complete the evaluations in ASPEN's eLearning Center at www.nutritioncare.org/elearning. Registered attendees may log in with their email address and password on file with ASPEN. All evaluations must be completed, and credit claimed by **November 3, 2025**, no exceptions.

Pharmacists and physicians, please note that ASPEN will upload earned CE credit into the appropriate system within the required timeframe. Any credit not claimed by the deadline will not be entered. Please provide your correct information when completing your evaluation and claiming CE credit. ASPEN submits only the information that is entered by the pharmacist or physician when credit is claimed and is not responsible for following up to obtain any corrected information to ensure an error free submission.
